Points Makes First Appearance on List of Canada's Best Workplaces™ in Technology

Great Places to Work® recognizes Points for its outstanding workplace environment

TORONTO, September 12, 2018 – Points (TSX:PTS) (Nasdaq:PCOM), the global leader in powering loyalty commerce, announces it has made its first appearance on the 2018 list of Canada's Best Workplaces™ in Technology by Great Place to Work®. This follows Points' recent recognitions as one of Canada's 50 Top Workplaces for Women and a Top Small & Medium Employer in Canada.

Points received this honour after a thorough and independent analysis conducted by Great Place to Work®. The list of Best Workplaces™ in Technology is based on direct feedback from employees of the hundreds of organizations that were surveyed by Great Place to Work®. The data has a 90% confidence and a plus or minus 5% margin of error. Analysis of the data to compile this list focused on the following considerations; organizations must be Great Place to Work Certified™ in the past year, have a minimum of 15 employees and work primarily in the Technology sector.

"We are delighted to have made the list of Best Workplaces™ in Technology this year, a list which honors organizations that foster exceptional work environments and cultures," said Rob MacLean, CEO at Points. "Since Points opened its doors over 17 years ago, we have made it our mission to build a culture that attracts and retains great people to deliver great results for our partners and shareholders. We look forward to continuing this mission, while championing workplaces across Canada that are inclusive, diverse and collaborative."

In addition to fostering a vibrant and people-centric workplace, Points offers competitive benefits like flexible work-hours, maternity and parental support, fitness and commuter reimbursement programs and career development opportunities. Points encourages strong relationships across departments through company-sponsored social events and lunches, and actively creates opportunities for employees to ask questions, provide feedback and communicate across all levels of the company.

A complete list of the 2018 finalists can be found on the Great Places to Work's website. For more information on the Great Places to Work, visit <http://www.greatplacetowork.ca/>.
